STEPHAN HARRIS, CLERK
CHEYENNE

Sherrif

I am writing to make a complaint on a Deputy Sargent Hariss on January 10th I wrote a grievance towards Deputy Harris on a locker request issue. January 11th Deputy Harris approaches D pod upset because I wrote the grievance Harrasing and threatening me in front inmates in D pod and Deputy Torrey stating: "I'm not a mind reader how am I supposed to know your indigent!" mad about the grievance she yelled at me "I got something on you" "you the one in orange I get to go home!" "I could punch you!" "Peace out!" slaming the bean shoot in my face. The only thing I said that set her off was "If you don't want to do the job just leave I don't want to argue" never used teragatory words or threatening words against her. I wrote a grievance on that issue January 11th. 19 days go by my grievance doesn't get answered on the 5 day period so I write a grievance on that. January 30th I get informed by Deputy Harris that she has shredded my grievances, she brings back other irrelevant typed up substitutes for the shredded grievances she shredded the January 11th grievance and the grievance about my missing property that got lost and never reimbursed. January 30th I write a grievance towards Deputy Harris for shredding my grievances I want to file a complaint Harrasment, threat, abuse of judicial power thanks for your time I also have reason to believe Deputy Harris stopping my legal mail to United States District Court but I can't prove it the reason I say this is because I've wrote to ask for status on it

they answered me it never reach the destination

With Respect

P.S I wrote a greivance stateing the same thing
adressed to Sheriff it neve made it to destination
it gat shreded by Deputy Harris
